discussion on Senator Janssen's amendment? Seeing none, Senator Janssen, to close.

SENATOR JANSSEN: Thank you, Mr. Chairman, members. In closing, I urge the body to keep in mind that the rivers must provide for the diverse interests. Not only do they provide for great recreational opportunities for airboaters, they provide critical habitat for wildlife. The latter has been protected through the establishment of the statutory refuges of which there is a great public benefit. This amendment reinforces the stand that the Legislature has taken in the past to protect wildlife. I urge you to vote favorably on its adoption. Thank you.

SENATOR HALL: Thank you, Senator Janssen. You've heard the closing on the amendment offered by Senator Janssen. The question is, shall the amendment be adopted? All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Mr. President, on the adoption of Senator Janssen's amendment.

SENATOR HALL: The amendment to the bill was adopted. Items for the record, Mr. Clerk.

CLERK: Senator Wickersham...items for the record, Mr. President, Senator Wickersham amendment to LB 345. Enrollment and Review reports LB 536 and LB 536A as correctly engrossed. Senator Fisher amendment to LB 724 to be printed. (See pages 2610-21 of the Legislative Journal.)

Mr. President, Senator Chambers would move to amend the bill. (See page 2622 of the Legislative Journal.)

SENATOR HALL: Senator Chambers, on, to open on your amendment. Senator Chambers, to open on your amendment. Senator Chambers, to open on your amendment.

Senator Beutler managed to get a host of fees into this bill over which the department has discretionary power to raise. So what I'm dealing with are these two park admission fees. Senator Baack's bill, as it reads now, would raise the annual permit from \$10 to 15, the temporary or daily permit, from \$2 to \$3. So, Senator
